

A man and a young child are riding bicycles on a dirt path through a wooded area. The man is in the foreground, wearing a black t-shirt, black shorts, and a black helmet. The child is behind him, wearing a white t-shirt, blue shorts, and a white helmet. They are both riding away from the camera. The path is made of dirt and is surrounded by trees and bushes. The background is slightly blurred, showing more trees and a clear sky.
